AUDIENCE AT PLAY LIKED IT HEARTILY

SECOND PRESENTATION BY AMATEURS HAS A GOOD CROWD

JACK TEMPLE TROUBLED

And When the Missus Started to vestigate Everybody Became Confused — Plenty of Laughter

A crowd that filled the lower floor of the Empire theatre and overflowed into the balcony attended the second presentation of the three-act farce comedy entitled "Mrs. Temple's Telegram" last night. Judging from the rounds of applause that broke forth ever few minutes and an almost continuous roar of laughter, the theatre-goers received their money's worth.

The outstanding feature of the entertainment was that, although the cast was made up of amateurs, it fell little short of being worthy of professionals. Clarence Cook ,as a director and player, has unquestionably made good before the Maryville public.

Chilton Robinson, though lacking some of the technique and finish of Mr. Cook, gives promise of becoming an actor of ability.

Complications Start Early

The story of the play begins when Jack Temple (Clarence Cook) returns home early in the morning from a night out and finds his wife (Ruth Bookman) in a mood to accept no explanations ,especially the first one proffered by her husband. Getting desperate, the husband invents a story in which he states that he has spent the night with a close friend, John Brown, at Elm Avenue, Pickleton-on-the-Thames.

After the wife leaves the room, saying that she is through with him if the story proves false, Frank Fullen (Chileon Robinson) drops in to pay Jack a visit, learns of the story Jack has put up to his wife and agrees to play the part of Brown. Then follows a series of lies, each one told to substantiate what has gone before. The woman with whom Jack spent the night as a companion in a ferris wheel that got stranded in mid-air, calls to get her field to save explanations. Jack explains glasses, which Jack has given away to this lady (Lucile Cummins) that he will return the glasses to her if she will call for them during the evening.

Irate Wife Comes In.

Complications of an unexpected nature arise when Mrs. John Brown (Persis Hunt) comes to demand explanations of Mrs. Temple for telegraphing her husband to come and see her. The telegram was sent out to test the truth of Jack's story. Following Mrs. Brown the real Jack Brown calls in answer to the wire. Jack and Frank have good luck in convincing Mrs. Temple that these persons are impostors.

A love story runs through the play. Dorothy (Cleona Kirch), a sister of Mrs. Temple, is in love with a certain Captain Sharp (Lee Maier). Jack Temple, her guardian, has steadily refused to give Dorothy his consent to the marriage which Mrs. Temple would like to come about. Frank Fuller promises Mrs. Temple that he will win Jack's consent, which is accomplished by a question put to Jack by Capt. Fuller, asking him to explain his night out in the ferris wheel with the strange woman.

The Stories Get Too Large.

The closing scenes of the play find Jack Temple and Frank Fuller deeply enmeshed in their story which has grown to enormous and unexpected dimensions, involvin gmany explanations. At this time the unknown woman, Jack's ferris wheel companion, calls for her glasses and meets Mrs. Temple. She gives her name to Mrs. Temple—which is Mrs. Fuller—and is asked to stay for dinner, Mrs. Temple remembering that this woman is the wife of Frank Fuller, her husband's woman friend, whom she has never seen. But the lie has gone too far. With the coming of Jack on the scene to see his wife talking to the woman who made the lie necessary, with Frank Fuller, discovering the woman he has heard Jack ut as his companion of the ore is his own iwfe, the

ookman as leading lady perf most creditable manner, a eona Kirch, playing the part orothy, won the favor of the audience. Creston Maul and Miss Persis Hunt, playing Mr. and Mrs. John Brown, brought many laughs. Lee Maier as Captain Sharp, was a strong character, and Wilbur Allen, the butler Wigson, made a hit with his antics.

OPENING OF DUBINSKY STORE IS DELAYED SEVERAL MONTHS

Inability to Obtain Merchandise Is Given as Reason—Owners Are Expected Here Soon.

The new store of Dubinsky Brothers, exclusive dealers in ready-to-wear and children's goods, which was to have opened about the fifteenth of the onth, will not be ready for business at that time and probably not for several months, according to word received in Maryville a few days ago. The owners heve been unable to secure enough merchandise for such a store from New York on account of market conditions, having been unable to buy several articles on account of scarcity. They are also unable to receive other merchandise in less than from two to three months' time.

The owners of the new store are expected to be in Maryville within the next few days, and some announcement is expected from them. It is reported that the store will be unable to open this season.

Their lease on the Robinson building will start on September 15. A new front and also other imprivements have been made to this building, and this work will be completed by that time.

MAUL GETS LARGE JUDGMENT; CASE GOES TO CIRCUIT COURT

Probate Award of $1,943.73 to Barnard Man Contested Further by Estate of Aaron Snapp.

A judgment of 1,943.73 was awarded the plaintiff in the demand case of Carl Maul against the estate of Aaron Snapp, tried yesterday afternoon in the probate court, Judge Jesse Robertson presiding. Appeal was promptly taken to the circuit court, and the case is expected to come up in the September term, which will begin a week from next Monday.

Mr. Maul was suing for back pay for work on the Snapp farm, which he alleged was still due him. Several checks were introduced as evidence, and a considerable number of Barnard residents were here to testify in the case. The Snapp farm is in the Barnard neighborhood.

Negro Back to State Hospital.

Fred Fields, negro, living in the east end of town, was taken to St. Joseph today to be recommitted to State Hospital No. 2, located there. Fields had been a patient there for two months earlier in the year, but had been released on parole and allowed to return to Maryville. Recently he became troublesome to members of his family and the neighbors, and it was decided to send him back.

ASKS THAT PASTOR BE RETURNED HERE

RESOLUTION HONORS DR. G. S. COX, FIRST M. E. CHURCH

GOES TO CONFERENCE

Church Members Vote Also to Pay Share in Building Parsonage for the District Superintendent

A resolution asking the return of Dr. Gilbert S. Cox to the pastorate of the First Methodist church in Maryville was adopted last night by the officers of the church at the usual quarterly meeting. Doctor Cox has been here seven years and is well liked. The resolution was addressed to the annual state conference of the church, which will hold its meeting here next week, beginning next Wednesday.

The Maryville church also voted to assumesits share of the expenses in the erection of a parsonage for the district superintendent. A motion to erect a parsonage for the district superintendent of the Maryville district was passed at the last district conference. Every church in the district must pass favorably upon the motion before it goes into effect. So far several churches have voted upon the matter and all have passed a favorable resolution. It is supposed that it is only a matter of time until all the churches formally signify their intention of accepting the motion of the district conference.

Since the meeting last night was the fourth and last quarterly meeting of the church year, reports from the various departments of the church were read. Plans were discussed for the new church year, and several resolutions regarding the usual routine business of the church were passed. The final report for the year will be read at the Missouri Annual Conference when it meets here in a few days.

M.H.S. ENROLLMENT NOW 320, 44 INCREASE OVER LAST YEAR

Smallest Mid-year Senior Class in Years to be Graduated—Attendance Boost In January

The enrollment at the Maryville high school has reached a total of 320, which is an increase of 44 over that of last year. The smallest mid-year senior class in years will be graduated in January. There are only six or eight members in the class. Approximately thirty-eight grade students will enter the high school in January, 1920. That means that there will be a gain of 22 or 24 students when the mid-year classes change, which will make a total registration of 342 or 344 in the high school, or almost 75 more than ever attended the local secondary school.

FARM OF 31 ACRES IS SOLD AT PRICE OP $500 AN ACRE

Lewis E. White Sells Place Two Miles Northwest of Maryville—Sturm Land Sold Also

The farm of Lewis E. White of thirty-one acres, two miles northwest of Maryville, was sold a few days ago to Francis Derbin for $500 an acre. This is the highest price yet that has been received for farm land close to Maryville. The farm of Mike Sturm, consisting of 138 acres, was sold to Sylvester Bosley for $265 an acre. Both sales were made by Holmes & Wolfert.

Miss Doris Goforth went to St. Joseph this afternoon to visit until tomorrow noon.

AN INCREASE OF 55 APPEARS IN S.T.C. ENROLLMENT TODAY

Morning's Account is That Much Better Than Same Day Last Year—May Reach 300 for Session

Early this morning the enrollment at the State Teachers College was 173. At the saem time last year it was 118, which makes the increase for the new school year 55. At the end of the first ten days in the fall of 1918 a total of 230 had registered. With the figures of a year ago as a basis to figure on, it seems probable that this year's total registration will go well up toward the 300 mark.

SIXTEEN ATTEND THE SECOND COLLEGE FOOTBALL PRACTICE

Five Games Definitely Scheduled, Two of Them Here — Coach Has Hopes For More Material

The second football practice at the State Teachers College last evening saw sixteen men in uniform. Although the number of candidates is still less than what it might be, Coach Robert Rice is optimistic with the showing so far and believes that the material shows considerable promise.

A veteran backfield is assured. Richards will probably hold down the fullback position. Pierpoint, last year's sensational quarterback on the high school team, gives promise of holding that position on the college eleven. Puckett at right half is showing up to expectations, and Stewart is going to make a strong race for the berth at left half.

The line will average fairly heavy. In the past it has been lighter than any other in the state conference. Just what candidates will make good is a matter of uncertainty, but the material is there to whip a good line into shape before the season opens. With the college enrollment far from completed, it is expected that some late arrivals will put in their appearance on the gridiron in time to strengthen the team before the first whistle for a contest blows.

The schedule is being worked out under the direction of Coach Rice. Tarkio has contracted to play the college here and at Tarkio. A game with Kirksville at Kirksville is a certainty. Graceland College will meet the Bearcats on the Iowa grounds. Westminster will journey here for a game late in October. Other games will be scheduled within the next few days, and the greatest season in football at the college is expected.

MUSTN'T SHOOT DOVES, SAYS MR. TILTON; THERE YOU ARE

Game Warden Corrects Us—No Open Season Whatsoever — But It's All Right About Quail

There is no open season on doves at all in Missouri, according to E. E. Tilton, local game warden, who was pained and surprised to note in this newspaper yesterday an announcement that the season was open. Mr. Tilton declares, and he has the book to read from, that the last state legislature made it unlawful to kill doves at any time, that the law is now in effect, and that no time is stated in the law for the lifting of the ban.

So don't shoot doves, Mr. Tilton advises. The quail season is the same as usual, but there is no dove season.

The information in the story yesterday came from a valued and usually accurate contemporary that is not in the habit of joking.

Mrs. Pryor Coming.

Mrs. Ike T. Pryor, Jr., of Fort Stockton, Tex., is expected to arrive in Maryville tomorrow, to visit her parents, Judge and Mrs. W. C. Ellison. Mrs. Ellison met Mrs. Pryor in Kansas City Tuesday and they will motor to Maryville in the Ellison car, George Robb Ellison going to Kansas City to accompany them here.

SOLDIERS FIRE ON CROWD IN BOSTON

ONE MAN KILLED, TWO INJURED, NEAR A SUBWAY

ONE WOMAN DIES TODAY

Total Casualties of Night's Rioting Reach Four—Governor May Ask For Federal Troops

Boston, Mass., Sept. 11.—A fresh disturbance in the police strike here occurred today when state guardsmen fired on a crowd of men and boys near the subway entrance at Tremont and Boylston streets, killing one man and injuring two. The gang had refused to move on when requested to do so.

The total casualties from last night's rioting in south Boston ,when troops fired on the crowd, was increased to four today by the death of Miss Margaret Walsh, who was shot in the stomach.

So serious had the situation become today that the governor sent a telegram to the secretaries of the war and navy requesting that they be ready to send federal troops to Boston to meet the demands here.

M. H. S. FOOTBALL MATERIAL IS SHOWING UP FAVORABLY

Twenty Are Out For Team — One Breaks a Collar Bone—Negotiations Are on For Five Games

Twenty red and white stockinged lads in football togs are daily practicing on the high school gridiron and are rounding in mid-season form. Coach Zeigler says that the chances of a winning eleven, second only to that of last year, or as good, are becoming brighter every day.

When the ball is kicked off for the first time the last Saturday in this month, if a game with Stanberry can be arranged for that time, the Maryville high school warriors will be as fit as any that ever stepped on a local gridiron.

Much is expected of the veteran backfield that will face the opposing lines this season. Coach Zeigler believes that in Forman at fullback, French and Miller at halfback, and DeArmond at quarter, he has as good a backfield that will represent any football team of high school rank in Northwest Missouri. Harry Carstens is trying for a backfield position, and, for a new man, is showing up exceptionally well.

The line, which is made up of new material largely, is rounding into expected form. King and Clark look like fixtures at tackle, and Williams and Allen are working hard for end positions. Both Kirby and Gray want to fill the cented place. At guard, H. Price, Boatman, Masters and McPherron are racing for berths.

Wilson McMurray, a strong contender for an end position, was unfortunate in having his collar bone broken at Tuesday evening's practice.

It is planned to play at least four games at home, possibly five. The proposed games, for which negotiations are now being made, are with Stanberry, Albany, Pattonsburg, Savannah and Chillicothe.

EVERY U. S. ARMY CASUALTY NOW ACCOUNTED FOR ON LIST

The Two Soldiers Still Left as Missing in Action Are Transferred to Column of Those Dead

Washington, Sept. 11.—Every American soldier who became a "casualty" in the war against Germany at last has been accounted for.

A list of missing and unaccounted for which at one time was as high as 25,905, gradually was reduced until for weeks it remained at two. It is now presumed there is no doubt the two soldiers are dead and they have been so listed officially.

Of the total first reported missing 23 per cent died; 16 per cent were found to be prisoners; 25 per cent were lost from their organizations in the confusion of battle, but subsequently rejoined them. The remainder were found scattered through various hospitals.

THREATENED STEEL STRIKE A MENACE TO U. S. SAYS WILSON

President Appeals to Gompers to Use His Influence to Have Action Postponed a Month

Billings, Mont., Sept. 11.—The industrial situation in the United States was giving the president distinct concern today. The threatening aspect of the steel trade, where a strike has been decided upon because Judge Gary has refused to meet the American Federation of Labor leaders, is considered by the president to be a menace to the country, it was learned today. It is because he believed so that the president last night sent his appeal to Gompers to use his influence upon the steel men to urge on them the wisdom and desirability of postponing action of any kind until after the industrial conference in Washington next month.

SEVENTEEN ON TRUCK RIDE TO ELMO BAPTIST MEETING

Local B. Y. P. U. Puts on a Model Program at Association—Another Load Expected to go Tonight

Seventeen members of the Baptist Young Peoples Union of the local Baptist church took a truck ride last night to Bethel church, near Elmo, where the district association is in session. They put on the evening program, giving a model B. Y. P. U. program, which was two hours and a half long.

The purpose of their special visit to the district conference was to arouse enthusiasm among the young people to organize similar organizations in the churches where there are none at the present time, particularly in the Bethany church.

Those who attended the meeting last night at Elmo were: Misses Maggie Allen, Mabel Forman, Gladys Dragoo, Golda Adcock, Jennie Pugh, Helen Tebow, Viva Cloud, Marie Cloud, and Eva Davis; Clyde Bliss, Clyde Adcock, Myron Babby, Jesse Wray; John Quinn, Frank David, and Mr. and Mrs. Leo Strong.

About twenty-five men of the church are expected to take a truck ride to the closing meeting of the association tonight.

UIVERSITY TO GIVE SPECIAL TRAINING IN WELFARE WORK

Will Teach Home Service Secretaries in Connection With Southwestern Division of Red Cross.

Columbia, Mo., Sept. 11.—Because of the need of trained social workers to direct and organize social welfare activities, the School of Business and Public Administration of the University of Missouri, in connection with the sociology department, has provided for special training in welfare work. In Co-operation with the Southwestern Division of the American Red Cross, the school offers training for home service secretaries.

Students preparing for urban social service work are offered fifteen hours of work in the Missouri School of Social Economy in St. Louis, which is an extension branch of the State University. The work for rural communities will be accomplished in and around Columbia.

The training for the Red Cross home service secretaries will be given in two Red Cross institutes, of six weeks each, beginning October 6 and February 23. The work is offered for those who are recommended by the Red Cross Chapters and the Southwestern Division of the Red Cross. These persons must be at least 21 years old. Certificates will be given those who successfully complete the course.

Mrs. Mills Visiting Parents.

Mrs. Robert Mills of Memphis, Tenn., arrived this morning to spend ten days or two weeks with her parents, Mr. and Mrs. R. B. Gex, at their home near Graham. Her father, who has been spending several weeks in Kentucky and Memphis, accompanied her here. Mrs. Mills was formerly Miss Bettie Gex and this is her first visit home since her marriage in May.

MINORITY REPORT MADE ON TREATY

U. S. WOULD LOSE BY REJECTION, SIX DEMOCRATS SAY

DELAY DANGEROUS, ALSO

Three Senators at Chicago Attack Document and President—May Be Asked to Repeat Speeches

Washington, Sept. 11.—What the United States is to share in the concessions and agreements exacted from Germany by a dictated peace would be sacrificed if the Senate were to reject the treaty of Versailles, it was asserted in a minority report submitted to the Senate this afternoon by six Democrats, members of the Senate foreign committee, who are staunch supporters of President Wilson.

Another argument advanced in the report for the immediate ratification of the treaty without amendments or reservations was what the delay and doubt as to its acceptance has already resulted, it was stated, in a reduction of American exports, because private credit cannot and will not be furnished as long as the peace settlement is in doubt.

Treaty Assailed at Chicago.

Chicago, Ill., Sept. 11.—Senators Borah, Hiram Johnson and Medill McCormick, who in addresses before a crowd estimated at 15,000 last night bitterly assailed President Wilson and the League of Nations in such biting words that the enthusiasm of the crowd approached hysteria, will be asked to return to Chicago within ten days to repeat their talks against the league and the Versailles treaty, according to plans under way today.

Mrs. Maysel Laughlin of Guilford has entered the State Teachers College and wil be at home during the school year with Mrs. Fred DeMoss, 222 South Walnut. Mrs. Laughlin is the widow of the late Russell Laughlin of Guilford, who was killed while serving overseas. Lloyd DeMoss of Stanberry, a step-son of Mrs. DeMoss, is also residing at the DeMoss home while attending the Maryville high school.

Mrs. L. E. Zeigler arrived last night from Fayette to join her husband, who is principal of the Maryville high school. Prof. and Mrs. Zeigler wil be at home at 710 South Main street.

Mr. and Mrs. Robert Gex, Jr., Miss Helen Burris and Russell Burris returned today from a several days' motor trip to Omaha and Lincoln, Neb. While in Omaha Monday they heard President Wilson in his League of Nations speech.

Wanted to Keep His Children.

Dallas, Tex., Sept. 11.—"Wanted—Two or three light housekeeping rooms. Have two children that I neither want to drown nor trade for a poodle dog. H. P. McKinzie, 1308½ Main street."

The above ad appeared in Dallas papers one day last week. Mr. McKinzie, who is with a local film concern and recently came here from another state, declared he had been searching for light housekeeping rooms for three weeks, and everywhere he went he was told by the landlady that while they had rooms for rent they would not take children under any circumstances.

WEATHER FOR TODAY

MAYBE HENRY WILL STAY AT THE PENITENTIARY A WHILE

Hawk's Record as a Restless Prisoner Ended for Time Being by a Five-Year Sentence for Burglary

If he didn't escape on the way to Jefferson City, Henry Hawk is now beginning a five-year sentence in the state penitentiary for burglary. Hawk, who is a former resident of Maryville, pleaded guilty to the charge at a special session of court held for his benefit by Judge John M. Dawson at Grant City Tuesday afternoon and started his trip to the penitentiary that night.

Assurance of his arrival has not yet been received in Maryville, and there is a chance that he didn't get there, for Henry believes that while there is life there is liberty. His record for escapes is equaled only by his record for being recaptured.

Hawk has a police record in Maryville, but this is not the only place.

The charge to which he entered the plea of guilty was the burglarizing of a store at Sheridan about a year ago. He has been a source of trouble for the officers since that time. First he gave bond for appearance for trial and left the country. He was returned to Grant City about two months ago at his own request, having been arrested in Oklahoma on a bootlegging charge. They treated their prisoners there too roughly, he declared. He had been in the jail at Grant City only a short time when he escaped. After a short period of liberty he was arrested in Clinton county on a charge of stealing an automobile. The officers of Clinton county decided to allow the Worth county officers to take him for trial and he was returned in irons to Grant City about two weeks ago.

AFTER SEVEN YEARS

Maryville Testimony Remains Unshaken

Time is the best test of truth. Here is a Maryville story that has stood the test of time. It is a story with a point which will come straight home to many of us.

Mrs. A. Wiedman, 409 E. Thompson St., says: "I had pains through my kidneys and my kidneys acted irregularly. These symptoms were always worse when there was a change in the weather or when I took cold. I used different medicines but without benefit and I despaired of ever getting better. Doan's Kidney Pills were finally recommended to me, and I got some at Love & Gaugh's Drug Store. In less than a month I was entirely free from the trouble."

OVER SEVEN YEARS LATER Mrs. Wiedman said: "It hasn't been necessary for me to use anything for my kidneys for some time. I think Doan's are the best kidney medicine made and words can't express my high regard for them."

Plenty of Students at Hopkins.

Hopkins, along with Maryville, is enjoying a record high school enrollment, according to the Hopkins Journal. Work started there Monday, with ninety-two students enrolled. The total enrollment for the Hopkins school was 270, with prospects of an increase.

Paul L. Jones, a feature writer on the Kansas City Post, is spending a few days of his vacation as the guest of Dr. Jesse Miller, Jr., in Maryville.

Mrs. Thomas Humberd of Barnard underwent an operation at Noyes hospital in St. Joseph Tuesday and is doing nicely.

Competition Helped Consumer.

Gettysburg, Pa., Sept. 11.—One of the merriest wars in price reduction was waged here between two merchants with lemons as the commodity. A store conducted by Leo H. Miller had been selling goods cheaper than the other stores in town. The climax arrived when the Miller store announced that they would sell lemons at 17 cents a dozen, while the other stores were charging between 40 and 60 cents a dozen.

Almost immediately the other stores in town announced that they were selling lemons at 15 cents a dozen. The signs announcing the price of lemons was changed as fast as they could be made with a few cents reduction each time, until the price was brought to 5 cents a dozen. All of the stores did a booming business. Later canteloups and watermelons were brought into the sale and some watermelons sold for as low as 10 cents.

Most Decorated Woman in Parade.

New York, Sept. 11.—Among the many welfare workers asked to march up Fifth Avenue with General Pershing and the heroic First Division, was Miss Cora E. Van Norden, a Salvation Army worker, who is called "the most decorated woman in the world." Miss Van Norden was attached to the 18th Infantry (regulars) and is credited with having established the first A. E. F. canteen, which was at Ancelleryille. Among her many decorations are the War Cross, the British Salonica decoration, Serbian and Greek decorations and a Victory Ribbon with four bronze and two silver stars, the first showing major operations and the silver stars indicating citations by general officers. Miss Van Norden is the daughter of the late Warner Van Norden, a prominent New York banker.

ONE MISSOURI CITY PREPARES FOR A RETURN OF INFLUENZA

Hospital at University Will be Ready —Doctor Believes Those Who Have Had it Will be Imune

It has been recommended by the medical department of the University that 150 beds be provided for hospital use, beyond the capacity that Parker Memorial hospital affords, in case of the return of an influenza epidemic, according to Dr. Dan G. Stine, of the University of Missouri medical faculty, as reported in the daily Missourian. There may be a return of the epidemic, but Doctor Stine does not believe that there will be nearly the number afflicted this year that there were last because he believes that those who had it last year are immune. And because of the great number of persons who had it last year, the spread of the disease will not be so rapid.

The reason that an epidemic is predicted for this fall is the fact that in 1889 and 1890, when influenza was so bad, it came in the two successive years. But Doctor Stine added: "It is not known whether or not the epidemic of influenza that was here last year is like that of 1889-1890.

"The recent case of influenza admitted to the hospital does not mean that the epidemic has returned," said Doctor Stine, "for there has been practically one case in town all summer. There will, no doubt, be occasional cases; the number may reach as many as 5, but I do not look for a repetition of last winter's epidemic."

The anti-influenza campaign has opened in Kansas City with the start of an inspection of north side rooming houses by the sanitary division of the health department.

Air Visitors Stop at Hopkins.

Airplanes are still a treat in Hopkins, according to the Journal, which records the stop of two machines there Tuesday morning. The aviators were on their way to St. Joseph from fairs in Iowa and dropped in on the North Nodaway metropolis for gasoline and breakfast. They got both and left, but not before a crowd of about five hundred persons had gathered to inspect the planes. Hopkins hopes to have a barbecue in a few weeks for the returned soldiers and efforts will be made to have the airplanes return at that time.

Whew! Some travel! And all for you! It would tire you to death to trapse around that much yourself, but writers and investigators for

The COUNTRY GENTLEMAN

cover that much ground every year. The distance of twelve times around the world, they go, to get the important farm facts, the broad national viewpoints that are presented each week in the pages of *the one great national* farm weekly.

In addition to the scores of men who are traveling for THE COUNTRY GENTLEMAN in the United States and Canada, John R. McMahon is in Europe to study the farming of the new nations born of the world war. There are lessons for the American farmer in the practices of the Russian, the Pole, the Bohemian, the Italian, the Dane, the Jugo-Slav, and all the rest. Also it will pay you to know how much food they are growing, for we must make up the deficit. Mr. McMahon's articles will be starting right soon. The way to insure getting all of them—and a year full of farm progress besides—is to subscribe today for THE COUNTRY GENTLEMAN. It costs Only 1 Dollar for 52 big issues.

Pickering Christian Church.

Because of a little ripple of excitement last week, caused by a case of sore throat, which somebody feared was diphtheria, our Bible school attendance was not yet up to normal last Sunday, but as the dread disease has been entirely stamped out we are trusting that all will fall in line next Sunday, and that we may have a record crowd.

The theme for the morning sermon will be "Stepping Stones to Immortality." In the evening, at 8:30, "Setting Up of the Kingdom."

Pickering Circuit M. E. Church.

The Fourth Quarterly Conference will be held at Myrtle Tree next Saturday at 2:30 p. m. We are very anxious that every member of the Quarterly Conference on the entire charge be present. Please come and have your report ready.

Owing to the illness of Dr. Burris, the pastor will preach Sunday at 12 o'clock and will observe the sacrament of the Lord's Supper at the close of the service.

The pastor will praech at Pickering at 8:30 p. m.

You Don't Have to Get Up to Start the Fire

with an electric range. You can set the clock the night before at the time you want the electricity turned on and you can sleep till breakfast time. You can have hot biscuits, hot breakfast food, and hot water for boiling eggs, all ready when you get up.

AND YOU DON'T PAY ANY LUXURY TAX ond that kind of convenience. The cost of running the range is very reasonable when compared with other kinds of fuel, and the saving in work and muss and the excellent results obtained in cooking are immeasurable.

Some day all the house work will be done electrically because the system of having all the heat and power generated at one central station is the most efficient and economical way. Get your electrical appliances now while you can enjoy them.

Women.

They're saucy and they're fickle, and
They're mighty hard to please,
We have to cater to them all
Upon our bended knees.
They're flighty and inquisitive,
Exasperatin', too;
And every man must find it out
Somehow before he's through.
They reason with a suddenness
That makes a feller jump;
And they don't find it hard at all
To make him look a chump.

They cannot give a reason for
A single thing they do.
They jump at a conclusion with
No valid cause in view.
They're fussy and they're frivolous;
Sometimes it seems that way.
They're tender and they're heartless,
They're mournful and they're gay;
They're prudish and they're reckless,
And in faults they all abound.
They cost a lot of money, but
They're nice to have around.

Hopkins P. E. O. Picnic.

The P. E. O. ladies enjoyed a very delightful afternoon Monday at the home of the one of the sisters, Mrs W. G. Shinabargar, west of town, bu had no better time or more enjoymen than the B. I. L's, who went out in the evening, being guests at the picnic dinner served on the lawn—fried chicken with all the trimmings, besides watermelon, muskmelon, grapes, apples and other fruit. Several of the men came near foundering by eating so heartily of the good things and serious results might have followed had not Dr. Kirk been present to give emergency treatment by eating so much himself that some of the other "brothers-in-law" were saved—Harry Dalby, Jake Dragoo and Harry Clutter being valuable assistants to the doctor. Anyway, the ladies have the satisfaction of knowing the men like their cooking, but are wondering if it isn't about time for the "brothers-in-law" to entertain them.—Hopkins Journal.

Evans Dinner Guests.

Mr. and Mrs. L. H. Evans will be the host and hostess at a 7 o'clock dinner tonight when plates will be laid for Miss Jessie Fout of Brookfield, Miss Weakley, Miss Halcycon Hooker, Mildred Nicholas, and the host and hostess and daughters, Misses Jennie and Minnie Evans, and son, Evan Evans.

Makes Gold Plate for Pershing.

Wichita, Kan., Sept. 11.—Sergeant Alfred W. Hatfield, a Wichita young man, had the unusual experience of making gold plate for General John J. Pershing, not that the general is getting "high toned," and was eating off of gold plate, instead of china plates, but the General had trouble with his teeth. Sergeneant Hatfield made a new plate for the General, who had been too busy to attend to the matter until after the armistice was signed.

MANY HERE PLAN TO ATTEND VICTORY DAYS AT ST. JOSEPH

Soldiers of Northwest Missouri to be Honor Guests at Celebrations Tomorrow and Saturday

Tomorrow and Saturday will be the Victory Days at the St. Joseph Fall Festival, now in progress. Many visitors from Maryville are in attendance or are making plans to attend one of the last two big days Good racing programs are being given, and a whole fleet of airplanes is entertaining the crowds.

Maryville service men are invited to attend, especially Saturday. According to a communication from St. Joseph, every man who wore the uniform of Uncle Sam, be he soldier, sailor or marine, during the late war, will be an honored guest of St. Joseph Saturday, the gala day of the Victory Days celebration in that city. An elaborate program for the entertainment of the returned men has been prepared, and every effort will be made to make this occasion one long to be remembered by the veterans of the world war.

Major General Leonard Wood, late commander of the great camp at Camp Funston, will review the military parade from the steps of the Robidoux hotel. The parade will end at Bartlett park, where the men from Buchanan county will be presented with the county medals presented by the war mothers of that county. Following the presentation General Wood will address the assemblage ,the eminent soldier telling the the training period that made soldiers out of the finest manhood Missouri and neighboring states sent to Funston. After the speaking will come the big "eats," the men being served a regular old fashioned barbecue together with other choice viands. The men in uniform will be served first, the assemblage, afterward. All this will be absolutely free to all.

In the evening the grand military victory ball at the Auditorium will be the feature. Every man in uniform will be admitted free to the ball room accompanied by a lady friend. Civilians will have to procure tickets for the occasion. The spacious additorium has been decorated in a fitting manner, and the color scheme made possible by hundreds of incandescent bulbs will depict every phase of the military life, from reveille to taps. This part of the ball is said to be "great" by those who have had an opportunity to peep at the plans.

Every soldier, regardless of his service, is to be the guest of the city during the celebration, his uniform being an admission ticket to everything in the enterainment line. The races at Lake Contrary will also be free to the man in uniform Friday.

An attempt has been made to secure the names of all men in Northwest Missouri, but naturally some have not been reached. The committee in charge wants it distinctly understood that every man, regardless of where he resides or what unit he served in, is welcome to the city on those dates.

HOMES FOR BOYS WANTED.

"We have on hand a very fine lot of boys of all ages from one month to twelve years of age. We are putting them out in carefully selected homes. They are placed on three months' trial. All it costs to get one is the transportation. References required. For terms address Rev. C.C. Stahmann, Margaretta and Newstead Avenues, St. Louis, Mo., State Superintendent of The Children's Home Society." This is the word that has come to the Democrat-Forum. It may be of interest to childless families in this county.

Mr. and Mrs. James Barber of Parnell were here Tuesday.

F. B. MUMFORD, HEAD OF STATE AGRICULTURAL COLLEGE, HOME

Well-Known Missourian Spent Several Months in an Educational Mission in France.

Columbia, Mo., Sept. 11.—Dean Frederick B. Mumford of the University of Missouri College of Agriculture, has returned to Columbia after an absence of several months, during which he was a member of a commission which visited France and made a study of the educational institutions of that country with the view of fostering better economic, intellectual and educational relations between France and the United States. Before going to France Dean Mumford was federal food administrator and chairman of the State Council of Defense.

"The Board of Curators of the University has allowed me to be absent from the College of Agriculture for almost two and a half years to carry on the work of the food administration and the State Council of Defense and the time has come when I must give my entire attention to the problems that are arising in regard to the school,' said Dean Mumford on his arrival here.

Dean Mumford said that the work of the food administration came to an end with the signing of the armistice, and at the present time it had neither the funds nor the authority to carry on the campaign against profiteering. He explained that it was possible for the Government to draft the services of the state food administration boards in the war against the high price of commodities, but that this was unlikely since Congress had appropriated two million dollars for Attorney-General Palmer to carry on the work. Although the active work of the food administration ended in April, the food law is still the law of the land, Dean Mumford pointed out.

During the stay in France of Dean Mumford, in company with Prof. H. A. Todd of Columbia University and Dr. A. G. Webster of Clarke University, visited the universities of Paris, Bordeaux, Toulouse, Montpelier, Marseilles, Grenoble, Lyons and Claremont-Fermand, inspecting the equipment and making a detailed study of French educational methods.

He had numerous conferences with French professors concerning the advisability of an exchange of students and instructors by Freace and the United States.

He has concluded that the educational institutions of each country have many advantages to offer the students of the other. Along agricultural lines, there is much in France for the American student to learn. Dean Mumford made a special study of some of the more important agricultural schools with the view of comparing them with American schools.

Mrs. Mary Saunders of Pasadena, Calif., who has been spending two weeks with her son, A. D. Saunders, and family, left this morning for Albany to visit another son, Len A. Saunders and family.

Pershing Has Own Highway.

Hannibal, Mo., Sept. 11.—General John J. Pershing, noted son of Missouri and commander of the A. E. F., for whom a nation-wide highway has been named, may be able when he returns to make a trip on the highway it was learned here. General Pershing has written Herbert F. McDougal secretary of the highway association, that he expects to be able to attend the meeting this fall and perhaps make a trip of inspection over the highway.

Pershing Visits Mrs. Roosevelt.

Oyster Bay, Long Island, Sept. 11.—General Pershing turned aside from ceremonies and official duties today and spent a quiet half-hour with Mrs. Theodore Roosevelt at Sagamore Hill.

Mr. Smiley Returns.

W. R. Smiley returned yesterday from a visit at his old home in Troy, Pa., where a half-brother and a half-sister still reside. In company with his half-sister and her sons he took a motor trip from Troy to Akron, Ohio, via Cleveland. He was gone about three weeks.

New York Visitors.

Mr. and Mrs. Paul Jenkins, their daughter, Miss Louise Jenkins, and their son, William Jenkins, who motored here Tuesday from New York City, left Wednesday morning after a brief visit with Mr. Jenkin's cousins, George B. Baker and George L. Wilfley, and their families. They were enroute to Kansas City to make their future home after a residence of seven years in New York. Mr. Jenkins is a brother of Dr. Burris Jenkins of Kansas City, who is well known in Maryville.

MANY WOMEN USE GLYCERINE MIXTURE

Maryville women will be surprised at the INSTANT pleasant action of simple glycerine, buckthorn bark, etc., as mixed in Adler-i-ka. One spoonful relieves ANY CASE gas on stomach or sour stomach. Because Adler-i-ka acts on BOTH upper and lower bowel it often cures constitpation and prevents appendicitis. One lady reports herself CURED of a bad case of bowel trouble and constipation.
